About St. Mary's Articles

St. Mary's Articles blends traditional devotional craftsmanship with contemporary design standards. We produce rosaries, crucifixes, tabernacles, statues, and a wide range of liturgical and devotional products. Our workshop follows strict quality controls — suitable for parish use, retailers, and export markets. We welcome custom and bulk orders, and currently export to multiple countries (sample order to Uganda completed).

Core strengths

- Superior materials & finishing
- Custom design & branding for churches and retailers
- Export & sample order handling (documentation & packaging)
- Flexible MOQs and competitive pricing

How to Order

1. Choose products (SKU or name) and prepare a Purchase Order (PO) or email the list to us.
2. We will send a Proforma Invoice with pricing, MOQ, lead time and shipping estimates.
3. Sample orders available — contact us for sample pricing (sample to Uganda arranged previously).
4. Payment methods: Bank Transfer (Wire), PayPal (where available), or Letter of Credit for large orders.
5. Shipping: FOB / EXW options available. We handle export documentation and customs clearance on request.

Export & Packaging

We provide export-quality packaging (bubble wrap, boxed pallets) and can coordinate with your freight forwarder. Typical lead times depend on order size — please consult our sales team for current estimates.

Custom Orders & Manufacturing

We accept custom design requests for churches, retailers, and wholesale clients. Provide sketches or reference photos and we will produce CAD/mockups and create samples on approval. Our manufacturing partners can handle plating, casting, and hand-finishing.
